Criminal Finances Act

The Renewables Infrastructure Group Limited (“TRIG”) is a closed-ended investment company with a portfolio of fully operational onshore wind and solar energy generation assets in the UK, France, Republic of Ireland and Sweden.

We welcome the introduction of the UK Criminal Finances Act 2017.

The Board of The Renewable Infrastructure Company Limited has a zero tolerance commitment to preventing persons associated with it from engaging in criminal facilitation of tax evasion. The Board has satisfied itself in relation to its key service providers that they have reasonable provisions in place to prevent the criminal facilitation of tax evasion by their own associated persons and will not work with service providers who do not demonstrate the same zero tolerance commitment to preventing persons associated with it from engaging in criminal facilitation of tax evasion.
