### **Criminal Finances Act**

The Renewables Infrastructure Group Limited ("TRIG") is a closed-ended investment company with a portfolio of onshore and offshore wind, solar energy generation and battery storage assets in the UK, France, Germany, Spain and Sweden.

The Board of The Renewable Infrastructure Company Limited has a zero tolerance commitment to preventing persons associated with it from engaging in criminal facilitation of tax evasion. TRIG will not work with service providers who do not demonstrate the same zero tolerance commitment to preventing persons associated with it from engaging in criminal facilitation of tax evasion and the Board has satisfied itself in relation to its key service providers that they have reasonable provisions in place to prevent the criminal facilitation of tax evasion by their own associated persons.
